We are excited to showcase Singtel, a member of our association, and their product. Singtel has long been recognized as Singapore's leading telecommunications provider, delivering innovative solutions and exceptional services to customers nationwide.

Singtel understands the unique challenges faced by dormitory operators when it comes to communication and security. That's why they offer Scam Call Protect, a vital feature that safeguards your Singtel Prepaid line from fraudulent +65 scam calls and SMS messages, absolutely free of charge. With this powerful protection, you can ensure the safety of your residents' communication channels, providing them with peace of mind.

But that's not all - Singtel also provides a range of Ultimate Plans tailored to meet the connectivity needs of dormitory operators. With up to 150GB of 5G data, your residents can enjoy lightning-fast internet access, enabling seamless communication and entertainment. The plans also include up to 40GB of data roaming in Malaysia, ensuring uninterrupted connectivity for residents on the go.

Singtel understands the importance of keeping residents connected. That's why their Ultimate Plans offer up to 5000 local minutes, allowing residents to stay in touch with their loved ones, colleagues, and service providers. Additionally, with up to 2000 IDD minutes, residents can make international calls easily and affordably.

To enhance your Singtel experience even further, take advantage of their exclusive offer. When you top up your Ultimate Plan through [singtel.com/hiapp](http://singtel.com/hiapp), you can enjoy up to an additional 30GB of data, providing even more value for your money.
