Dear Dormitory Operator,

**Do Not Allow Access to Personnel Holding Invalid Passes Claiming to be MOM Officer**

All FAST officers from the Assurance, Care & Engagement (ACE) Group under the Ministry of Manpower (MOM) will carry authority cards with their photo whenever they visit the dormitories. Please do not allow entry if you come across any personnel holding an invalid pass, claiming to be an MOM FAST officer. Passes without a photo ID are invalid. See below for a sample of an invalid pass.

2. You can verify the identity of FAST officers via the [Electronic Gazette page](#) (click on “archives” and then click on “search”). Alternatively, you can reach out to your district’s FAST officers for verification.
3. Should you come across any personnel trying to enter your dormitory with an invalid pass, please make a police report against the person for impersonation of government officials. Do also inform the FAST officers about this incident.
4. For further queries, please contact us via [eFeedback](#) or reach out to your district’s FAST officers.
