

**INDUSTRY MEMORANDUM**

Date : Thursday, 18 June 2026  
To : DASL Members  
From : Dormitory Association of Singapore Limited (DASL)  
Subject : Application Deadline and Timely Submission for Dormitory Transition Scheme (DTS)

Dear Members,

We are writing to provide an update on the DTS and to draw members' attention to the upcoming application deadline and the importance of timely submission of applications.

As announced by the Ministry of Manpower (MOM), the DTS has been introduced to support the transition of existing dormitories towards enhanced accommodation standards and improved public health resilience. Eligible dormitory operators are required to submit their applications and indicate their preferred retrofitting schedule within the prescribed application period.

With the application deadline of 31 August 2026 approaching, DASL encourages all eligible members to review their transition plans and commence the necessary preparations promptly. While the application window remains open, members are advised not to delay their submissions. Early application will provide operators with greater certainty in planning their retrofitting works and operational arrangements, while reducing the risk of delays arising from incomplete documentation or requests for clarification. Members should also note that the transition process may require sufficient lead time for the engagement of Qualified Persons (QPs), consultants, contractors and other relevant stakeholders.

Please do not hesitate to contact us if you require clarification or assistance with your DTS application.

Thank you.

Yours faithfully,

Secretary General  
Eugene Aw
